do they know it's christmas ?

It's Christmastime

There's no need to be afraid

At Christmastime, we let in light and we banish shade

And in our world of plenty we can spread a smile of joy

Throw your arms around the world at Christmastime

But say a prayer

Pray for the other ones

At Christmastime it's hard, but when you're having fun

There's a world outside your window

And it's a world of dread and fear

Where the only water flowing is the bitter sting of tears

And the Christmas bells that ring there are the clanging

chimes of doom

Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmastime

The greatest gift they'll get this year is life

(Oooh) Where nothing ever grows

No rain nor rivers flow

Do they know it's Christmastime at all?

(Here's to you) raise a glass for everyone

(rapping) spare a thought for the yuletide and the deprived if the tables were turned would you serv

(Here's to them) underneath that burning sun

(rapping)there's no need to feel pain just selfless give a little help to the helpless

Do they know it's Christmastime at all?

Feed the world

Feed the world

Feed the world

Let them know it's Christmastime again

Feed the world

Let them know it's Christmastime again

repeat then fade
