Makes No Difference
Makes No Difference (The Band/Rick Danko)

It makes no difference where I turn
I can't get over you and the flame still burns.
It makes no difference night or day
The shadows never seem to fade away.

And the sun don't shine anymore (Chorus 1)
And the rains fall down on my door.
Now there's no love as true as the love that dies untold.
But the clouds never hung so low before.

It makes no difference how far I go.
Like the scar the hurt will always show.
It makes no difference who I meet
They're just a face in the crowd on a dead-end street.

(Chorus 1)

These old love letters I just can't keep.
Just like the gambler says read `em and weep.

And the dawn don't rescue me no more,
Without your love I am nothing at all.
Like an empty hall, it's a lonely fall
Since you've gone it's a losin' battle
Stampedin' cattle they rattle the walls.

(Chorus 1)

Well I love you so much. That's all I can do.
Just to keep myself from tellin you
that I've never felt so alone before.
