

Band Ohne Namen, Cheatin' On Me

You think that you're a hotshot lady
drivin' everybody crazy
And the problem with it is that you're right
so baby maybe, can you tell me if you are
just a friend lookin for someone to talk to
or a lover to walk to

It would be okay
if you say that your day was bad
and that you're happy 'bout the friendship
we have and all that.
It'd also be nice if I could hold you tight
during the night, make it right till the broad
daylight.

Can you tell me if it's love that
you want cause I dont know, are you seethin
or leavin or cheatin, cause I dont know,
and dont tell me to take it slow, cause Im takin
it slow,

and now Im thinkin that I've been
here before, been here before, and Im thinkin
that I've done this before, done this before.
Im thinkin that Im livin for more, livin for more,
so baby maybe tell me if Im crazy
but do you want more?

Refrain (2x)

Will you be livin this life baby, dreamin of me
or will you spend your days with no feelings for me
or might it be that every minute you'll be seethin for me
breathin for me, grievin for me, you're cheatin on me

You know you're drivin me insane
with all the things that you're saying
and then you're drivin me insane
with all the games that you're playin

It aint a game and Im not impressed
I want nothing less than to know
is if for real or just show?

If its real, then I'll take you to
the top, never stop, like a top notch
hot shot girl, I'll give you all that
I've got, if its not and we're just friends

Then tell me, before the friendship ends
and now Im thinkin that I've been here
before, been here before, and Im thinkin
that I've done this before, done this before
Im thinkin that Im livin for more, livin for
more, so baby maybe tell me if Im crazy
but do you want more?

(Refrain 4x)
