Band, The  
Miscellaneous  
Go Back To Your Woods  
Hide in the bayou under the gun  
Been to the house of the rising sun  
Come down here trying to make a connection  
Must have a bad sense of direction

Chorus:  
Go back go back to your woods  
Go back go back go back to your woods

Carry a torch and an old stiletto  
The sound of thunder all over the ghetto  
One-eyed jacks and king with the axe  
Come from the wrong side of the tracks

Chorus

When the night goes down on storyville  
If the women don't get ya, the music will  
Catch a thrill

You come down here in a four piece suit  
Pork pie hat and the alligator boots  
Keep jerking rabbits outta your hat  
Now can ya pull a disappearing act

Chorus

When the night goes down on storyville  
If the women don't get ya, the music will  
Catch a thrill

Go back go back to your woods...
