Long Black Veil

G

Ten years ago on a cool dark night

D□□□c□ g

There was someone killed 'neath the town hall light

G

There were few at the scene and they all did agree

D□□□c□g

That the man who ran looked a lot like me

The judge said &quot;son, what is your alibi?

If you were somewhere else then you won't have to die&quot;

I spoke not a word although it meant my life

I had been in the arms of my best friend's wife

C □ g□ c□□g

She walks these hills in a long black veil

C□ g□ c□ g

She visits my grave where the night winds wail

G□□□ c□g

Nobody knows, no, and nobody sees

C□ g□ d c

Nobody knows but me

The scaffold was high and eternity neared

She stood in the crowd and shed not a tear

But sometimes at night when the cold wind moans

In a long black veil she cries over my bones
