Band, The  
Miscellaneous  
New Mexicoe

I don't think i could tell you when  
I'll be coming back this way again  
Got no way of knowin, how far i'll be goin  
Or how long i might be stayin  
Been puttin it off too long  
Time to be movin on  
There's so much that i'd like to see ...

You might catch me down in new mexico  
Got some folks there that i used to know  
But i'd be wastin time, you know just what i'd find  
More of the same that made me leave there  
Been puttin it off too long, time to be movin on  
And there's so much that i'd like to see ...

If i go back to new mexico  
And all of those people that i used to know  
I'd be wastin time, you know just what i'd find  
More of the same that made me leave there  
Been puttin it off too long, time to be movin on  
And there's still so much that i'd like to see ...
