Tombstone
Its impatience thats holding back the clocks
Its a life of dates and documents
The soul searchers wheel and deal
If youre looking for repentance
Theyll hand you down a sentence

Far away in pittsburg or paris Loves for sale and so reasonably priced The answers are few and far between It just bed sheets, my friend Theyre blowin?in the wind

Chorus

Tombstone, tombstone i know your face One day ill meet you down at that special place The hard-earned wisdom of the night is all for hire And i cant tell a shooting star from a bird on fire Tombstone, tombstone Tombstone, tombstone

Theres a pump organ that lives on air I can hear it from the market place Pallid mourners in the crowd Some are withered but alive Where a burnin?past can find

The parishioners pour into the square Thinking there before his grace go i By they are mum with deafened ears The neediest of sinners Will forget it before dinner

Chorus

Tombstone, tombstone
I know your face
One day ill meet you down at that special place
The hard-earned wisdom of the night is all for hire
And i cant tell a shooting star from a bird on fire
Tombstone, tombstone
Tombstone, tombstone

Are you the jailer or will you set me free How many misdemeanors can one felony Tombstone

Chorus

Tombstone, tombstone
I know your face
One day ill meet you down at that special place
The hard-earned wisdom of the night is all for hire
And i cant tell a shooting star from a bird on fire
Tombstone, tombstone
Tombstone, tombstone
