To Kingdom Come

``Fought for the party to kingdom come," sadly told his only son

``Just be careful what you do, it all comes back on you

False witness spread the news, somebody's gonna lose

Either she or me or you, nothing we could do"

``So don't you say a word or repeat a thing you heard

Time will tell you well if the truth truly fell

Tarred and feathered, yeah, thistled and thorned

``Now you look out the window, tell me what do you see?"

``I see a golden calf pointing back at me"

Well, they'd set their ... for so darn long, waiting for the end to come along

... or on the brink, I'd take a choice, swim or sink

False witness cast an evil eye, said I cannot tell a lie
