Same From You

you wonder why you can't seem to sleep at night is there something wrong you don't know you want
well goodluck goodbye there's no more tears to cry well goodluck goodbye you're never satisfied
and i promise you i'll try to do anything that makes you happy i promise you i'll follow through all i need
you tried you tried to put together what makes sense did it turn out wrong you chose your sides you
well goodluck goodbye there's no more tears to cry well goodluck goodbye you're never satisfied
and i promise you i'll try to do anything that makes you happy i promise you i'll follow through all i need
and i promise you i'll try to do anything that makes you happy promise you i'll try to do anything that
