

Bandits, Like It

Don't know what you're doing to me - but I like it
You don't know how you're teasing me - but I like it
Like it ...

You came and ripped me up inside
It's a longing I can't hide
I don't know what you do, but I think I like it
Like it

The way you make me feel inside - I can't hide it
I'm burning up but I don't know why - but I like it
Like it

Falling into million pieces
Falling into million pieces
Take me up and put me back together
