

Bane, Just How Much (Chain Of Strength)

hey listen..

yeah i just got one thing to say.

i wanna talk about something that means a f**king lot to me.

it's a matter of pride the way that i feel when there's betrayal.

where the f**k is your head man?

and just how much does this mean to you?

what does this mean to you?

it's my life.

it's my solid rock.

it's the one truth that i can beleive.

committed to myself, committed to you

it's a matter of pride the way that i feel when there's betrayal.

it hurts so bad every time i have to see that shit!

am i the only one left?

my friends told me i should let it ride..

i feel stronger inside.

yes, i am much stronger.
