

# Bang Band SiXXX, Loneliness Is Fine

I woke up today, and I played my guitar  
And I didn't have to turn it down for you  
You always acted like I should be somebody else  
What if that someone else turns out to not love you?

It feels like freedom is my only lover now  
It feels like loneliness, and loneliness is fine

I went out today, and I didn't have to call  
Yeah you didn't have to know where I was at all  
I took a bus and I walked all over this town  
And I have never felt like I was more alive

It feels like emptiness when I go out at night  
It feels like loneliness, and loneliness is fine  
It feels like emptiness, but the emptiness is mine  
It feels like loneliness, and loneliness is fine  
Yeah loneliness is fine
