

Bang Camaro, I Know You Like My Band

I know you like my band.
I'm not gonna be your boyfriend.
You know I like my band.
I know you like my band.
Your not gonna be my girl.
You know I like my band.
I know you like my band.
I'm not gonna be your boyfriend.
You know I like my band.
I know you like my band.
Your not gonna be my girl.
You know I like my band.
