

Bang Camaro, Rock Rebellion

Fists up!
If you believe in us
Fists up!
If you are one of us
We know it starts tonight
We know the time is right
You know that we've become
All that's been undone
We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts tonight

Lights out
Let the power guide you
Lights out
Let us be your guide

We know it starts tonight
We know the time is right
You know that we've become
All that's been undone
We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts tonight

We are all the victims
But we've found our way
Penetrate the pain
And you will hear us say
Whoooooahh! Whoooooahh!
Whoooooahh! Whoooooahh!

We're not our father's sons
We are the chosen ones
We will defeat the light
Rebellion starts toniiiiiiight
Ooooh yeeeeeeeeaaaahhhhh
