

# Bang Camaro, You Know I Like My Band

I know you like my band.  
Im not gonna be your boyfriend.  
You know I like my band.

I know you like my band.  
Your not gonna be my girl.  
You know I like my band.

I know you like my band.  
Im not gonna be your boyfriend.  
You know I like my band.

I know you like my band.  
Your not gonna be my girl.  
You know I like my band.
