

Bang Gang, Falling Apart

He was there
Wanted it so bad
I was lost
My soul had gone insane

What should I be doing ?
What is it you want ?
What will you be doing when I fall apart ?

What should...

I was lost
My soul had gone insane
By myself
Wasting all my love

What should...

What should...

Your taking my breath away
Your taking my breath away
Never look back

He was there
Wanted it so bad
I was lost
My soul had gone insane

What should...
What should...

Your taking my breath away
Your taking my breath away
Never look back x4
