

# Bang Tango, Im In Love

Darlin', does it feel good?  
Darlin', does it feel good?  
I'm waitin', waitin' for you  
I'm waitin' up in your room  
'Cause I'm in love, I'm in love  
Perfection is under your skin  
Well, your affection should be a sin  
You tie, you tie, you tie, you tie me down  
I love it so, I love it so, so I'll stick around  
Take me  
Darlin', I miss your sweet lips  
Miss them so  
Need to feel your mouth, need the touch  
Darlin', where are you goin'?  
And where have you been?  
I'm gonna crawl to you closer  
I lose control
