

Bang Tango, Im In Love

Darlin', does it feel good?
Darlin', does it feel good?
I'm waitin', waitin' for you
I'm waitin' up in your room
'Cause I'm in love, I'm in love
Perfection is under your skin
Well, your affection should be a sin
You tie, you tie, you tie, you tie me down
I love it so, I love it so, so I'll stick around
Take me
Darlin', I miss your sweet lips
Miss them so
Need to feel your mouth, need the touch
Darlin', where are you goin'?
And where have you been?
I'm gonna crawl to you closer
I lose control
