

Bang Tango, My Saltine

One bad relationship
Seems to be a lover's trip
Always seems to get you out of mind

She goes everything I do
It always gets right back to you
Got to find yourself a better life
So dig

Oh, oh
I'm gettin' that feelin' again
Oh, oh
I'm gettin' that feelin' again

I'm so emotional
I really get emotional
Can't you feel my heart
Start to sweat
Ain't got a thing to do
Never even heard the truth
Just waitin' for my love to
Kick

Gonna give you something that you just can't find
I got something for you that you can't deny
Gonna give you something that you cant refuse
Feels good
Feels good
Feels good too
