

# BangBros, Yeah Yeah Yeah

Friday night  
Sitting all alone  
No-one's gonna play with me  
I hate to sit at home  
Looking out the window  
Dreaming of a friend  
Who brings this back to an end

Hey boy you there  
Don't you be so square  
Come onto my house  
Take me anywhere  
Keep it going on  
Release me from my fate  
I need some fun before it's too late

If you wanna come and say  
Yeah Yeah Yeah  
I can't wait too long I say  
Yeah yeah yeah  
If you sing my song I say  
Yeah yeah yeah  
I'm gonna be your baby tonight

If you take a stand I say  
Yeah yeah yeah  
You can bring a friend I say  
Yeah yeah yeah  
Take me by the hand I say  
Yeah yeah yeah  
Oh let me be your baby tonight

Sunday night  
The weekend's nearly gone  
No-one's sitting here again  
I want to carry on  
Don't know what to do  
I wish I had a choice  
Because I'm getting tired of my joys
