

# Bangles, The, Let It Go

Bangles, The  
Different Light  
Let It Go  
(s. hoffs/d. peterson/v. peterson/m. steele)  
Bangles

One thing or another  
Your head is filled with questions, sights and sounds  
Distractions always get you down  
Turn around

Trying to remember  
Where you were the day before  
North and south and east and west  
Where to go

When it's over  
When it's done  
Let it go

Frightened by the numbers  
All the possibilities  
Changing minds you hope to find  
One more dream

To remind you  
What is lost can always be regained  
Oooh
