Bangles, The  
Doll Revolution  
Lost At Sea

Can we try to salvage what we can  
From the weight of water and sand  
And lifts us up again  
Well this world is spinning out of control  
I'm bracing just to keep hold  
As the clouds move in  
With a driving wind so strong  
Could it be that we're lost at sea  
And we're drowning under the stars  
Up to me I would ride this wave  
Before we drift too far

What a lonely way to be  
Lost at sea  
Like a star in a night filled with tears  
Make the sadness disappear  
'Cause you're all that I hold dear  
Well you walk  
Never ever looking back  
One defends and one attacks  
There's a thousand reasons to begin again  
Could it be that we're lost at sea  
And we're drowning under the stars  
Up to me I would ride this wave  
Before we drift too far  
Take my hand, come to me  
Save a life, rescue you, rescue me

Could it be that we're lost at sea  
And we're drowning under the stars  
Up to me I would ride this wave  
Before we drift too far  
Could it be that we're lost at sea  
And we're drowning under the stars  
Up to me I would ride this wave  
Before we drift too far
