## Bangles, The, Restless

Bangles, The All Over The Place Restless (v. peterson/s. hoffs) Vicki

Saw your head turned a bit too far to the right now Saw the eye go a little spark when she walks by now

But if you wanna love You wanna love another girl I'll leave it up to you But i won't be tested (you feel restless now) While you feel restless (restless)

Now i'm wondering every time that you hold me Well, should i question anything you have told me

But if you wanna love You wanna love another girl I'll leave it up to you But i won't be tested (you feel restless now) While you feel restless (restless) yeah

I remember when you and i were a nation I could trust you in any dark situation

But if you wanna love You wanna love another girl I'll leave it up to you But i won't be tested (you feel restless now) While you feel restless (restless)
