

# Bangles, The, Tell Me

Bangles, The  
All Over The Place  
Tell Me  
(s. hoffs/v. peterson)  
Susanna and vicki

Threw away the things you loved  
Now you want me to forgive you  
Surprise surprise, i'm moving on  
Yeah, i'm moving on

What a shock it is to see  
That i can walk away so easily  
Isn't it funny how hard it's turned out  
This time i'm moving on

Tell me, tell me  
While i still have the time  
Are you gonna find a love  
Thats truer than mine

One, two, three abandon me  
Ain't no turning back again  
Well too bad baby, this time you lose  
'cause i'm moving on.

Tell me, tell me  
While i still have the time  
Are you gonna find a love  
That's truer than mine

One, two, three abandon me  
Ain't no turning back again  
Well too bad baby, this time you lose  
'cause i'm moving on  
I'm moving on
