

Banjo Sullivan, I'm At Home Getting Hammered (

We started in the morning, carried well into the night
Throwing dirty dishes with all our might
Sad commentary on a marriage that has failed
I'm at home getting hammered while she's out getting nailed
Police pulled into my trailer park
Domestic violence cost after dark
Late night with her boss, says they're trying to make a sale
I'm at home getting hammered while she's out getting nailed
I'm at home drinking whiskey in my easy chair
Watching Jerry Lawler pulling Andy Kauffman's hair
Had a suspicion, so I opened up her mail
I'm at home getting hammered while she's out getting nailed
She used to bring me beer and love all over me
Right before I went on disability
My wiggler ain't so straight, I got whiskey dick
She don't perk it up 'cause, 'cause her ankles got so thick
Well, the moral of this story is sad but true
I love to drink and she loves to screw
Hobo's got a better life, riding on the rails
I'm at home getting hammered while she's out getting nailed
