

BANKS, The Devil

I am the devil and i speed with the pedal on the gas
And i think i like a fast life better now
I am the devil
Did they tell you i am the devil?
Put your faith in another life past

Someone write my new name down
Someone write my new name down
Someone write my new name down
Someone write my new name down

Way down i go
Got a one way ticket
And the devil waiting
Call from down low
Naive i know
