

Barathrum, Victory Feast

Wings Of Storm
Carrying Me Home
From The Fields Of Jetblack War
Victory Of Mine
Lost Of Enemy
My Sword Painted By Blood
I Hail My Gods
Gods Of War And Hate
They Made Me Win Again
I Celebrate
And Drink My Toast
For My Great Victory

Great Feast Of Warriors Of Hell
We Celebrate Our Victory
Celebration Of The Darkest Ones
We Were Strongest Once Again
And We'll Be, And We'll Be - Forever!

I Get My Gift From The Gods
They Let Me Rejoice The Feast
I Won My War Once Again
It's Time For The Feast

I Hail My Gods
They Are Part Of me
I Hail My Gods
By My Victory Feas
