

# Barathrum, Wanderer in the Night

Wanderer In The Night  
Eyes Burning Mystical Fire  
Creature In The Shadows  
The Hunter In The Dark

Burning, Fire Of The Eyes  
Fire Directly From Inferno  
Burning Fire Of The Eyes  
By The Spell I Casted Ages Ago

Darkness Of Black Night  
Moonless Is This Night  
From The Shadows That Light  
Shines From The Eyes

Black Fire Is Burning Grimly  
Frenzied Beast Inside Me  
Is Screaming For Blood  
Tonight I'll Be The Hunter In The Dark

Darkness Of Black Night  
Moonless Is This Night  
From The Shadows That Light  
Shines From The Eyes

...From The Eyes...  
...Shines That Light...  
...In The Dark...  
...In The Night...

In The Shadows That Light  
Shines From The Eyes  
Darkness Of Black Night  
Moonless Is This Night
