Barathrum, Winter of the Black Snow

Winds whistle frosty trees gloomy darkness it drains the light world of chaos corpses of carnage it is snowing black snow from the sky

Rites of blood weltering in gore Executioner and spilling blood crowd of creatures evil laugh human sacrifice dies!

Ohhh, sky is dark thy fears wake up ohhh, nightmares of the winter of the black snow

Thousands of corpses all over the ground Axe of executioner is painted by blood Blood of sacrifice who have frozen tears Frozen tears in the frozen eyes...
