Barbara Acklin Miscellaneous Love Makes A Woman LOVE MAKES A WOMAN **BARBARA ACKLIN** In the fire It was burning Sweetheart, I know I should have been learning But my pockets Were full of money, yes they were I had someone, yes I did To call my honey it's love (ooh, sweet love) That makes a woman (ooh, that makes a woman) Yes, it's love (ooh, sweet love) That makes a woman (ooh, that makes a woman) Something told me that this wouldn't last Now my heartache is in the past I had to swallow all of my pride And admit to myself deep down inside Diamonds and pearls Don't you know that I've had enough But I feel so much better, yes I do Dressed in love What she is, yeah What she is
