Barbara Lynn, Sweet Sixteen

When I first met you baby
Baby was I only sweet sixteen
When I first met you baby
Baby was I only sweet sixteen baby
But you know I'm having so much trouble
Oh baby, I believe I'm about to go insane
Babe yeah, oh yeah
You know I love you baby
And I'll do anything you ask me to, yeah
You know I love you baby
Baby, and I'll do anything you ask me to
But you know I'm having so much trouble
Oh baby, I believe I'm about to go insane
Babe
Sweet sixteen baby
And the sweetest of men I've ever seen
Sweet sixteen baby
And the sweetest of men I've ever seen
But you know I'm having so much trouble
Oh I believe you're gonna drive poor me insane
Look out
