

Barbara Mandrell, Dreams Don't Lie

(Gary Harrison - Kent Robbins - Gene Miller)

I changed my number, I gave you back my picture
I said you're someone I don't wanna see
I told my friends at work it wasn't worth the hurt
But it's a different story when I go to sleep

Chorus

Dreams don't lie - dreams don't lie
I say I don't love you but the truth comes out at night
Dreams don't lie

Old friends call, they're careful not to talk about you
I say it's alright, you never even cross my mind
Then I hang up the phone, I say I like it here alone
I can fool myself until I close my eyes

Chorus

I don't love you, I don't need you
I don't want you in my life
I can make it sound convincing
'Til I turn out the light
