

Barbara Mandrell, I've Been Loving You Too Long

I've been loving you too long to stop now
You are tired and you want to be free
My love is growin' stronger as you become a haven to me
I've been loving you a little too long I don't wanna stop now
[steel]

With you my life has been so wonderful I can't stop now
You are tired and your love is growin' colder
My love is growin' stronger as our affair grows older
I've been loving you too long I've been loving you oh too long
I've been loving you too long to stop now
