

# Barbara Mandrell, I've Been Loving You Too Long

I've been loving you too long to stop now  
You are tired and you want to be free  
My love is growin' stronger as you become a haven to me  
I've been loving you a little too long I dont wanna stop now  
[ steel ]  
With you my life has been so wonderful I can't stop now  
You are tired and your love is growin' colder  
My love is growin' stronger as our affair grows older  
I've been loving you too long I've been loving you oh too long  
I've been loving you too long to stop now
