

# Barbara Mandrell, Till You're Gone

(Tommy Brasfield - Walt Aldridge)

How many days how many ways  
Do I have to lose you till you're gone

How many nights how many lonely nights  
Do I have to lose you till you're gone

It happens everytime I think I'm getting over you  
Something 'bout somebody new gets me thinking about you

How many times how many times  
Do I have to lose you till you're gone  
Do I have to lose you till you're gone

I see you on the late show I hear you on the radio  
Darling everywhere I go your memory is there

How many times how many times  
Do I have to lose you till you're gone  
Do I have to lose you till you're gone
