Hello baby

I'm sorry I said the things I did.

It was a silly fight.

I was wrong you were right.

What I really mean to say is...

You can eat crackers in my bed anytime, baby

You can kick off all the covers in the middle of the night.

You can sleep with the window open wide.

Do anything as long as your by my side.

You can eat crackers in my bed anytime.

I should be happy.

No dishes to wash now but my own.

No clothes to pick up.

A double bed to myself now that your gone

Oh but it's lonely

I'm sorry i every let you go.

It's a matter of fact I've got to have you back.

I just want you to know...

You can eat crackers in my bed anytime, baby

You can kick off all the covers in the middle of the night.

You can sleep with the window open wide.

Do anything as long as your by my side.

You can eat crackers in my bed anytime.

You can sleep with the window open wide.

Do anything as long as your by my side.

You can eat crackers in my bed anytime.

Whoa, you can eat crackers in my bed anytime, baby

You can kick off all the covers in the middle of the night.

You can sleep with the window open wide.

Do anything as long as your by my side.

You can eat crackers in my bed anytime.
