

# Barbershop & Various Artists, Stingy

You know what, baby  
I need to tell you somethin' and  
It's somethin' very important, you know  
I want you to just take this time out and just listen very close  
You hear me, listen  
Can I have you for a minute, don't get shy 'cause my heart's in it  
When I say you got me strung out  
I don't know and I can't call it but whatever it is you got it  
Nah, babe, without a doubt, yeah  
Never been the one to play and I don't like to be needed  
But now I guess that's all changed  
That's why I get mad at your folks 'cause I don't want  
You to go, no, babe I want you to stay  
You can say I'm trippin' but I'm stingy  
And I can't hide it  
(I just wanna keep you warm)  
Wanna keep you all to me, I'm selfish  
Why try to fight it  
(Baby, you're the only one)  
You're the only one with the only love  
(Yeah)  
That's strong enough to claim me  
(Come on)  
So please forgive me, I'm just stingy  
(Please)  
But how can you blame me  
(Listen)  
Baby, tell 'em how you do it 'cause you got me so into it  
I'm gone, but I don't understand  
So amazin', captivatin', elevatin', any way you try to put it  
I wanna be your man  
So if you want me to be yours  
I don't, it's alright, I'm for it, I would so adore it  
Nothin' turns me on more than bein' with you, baby  
I'm not trippin'  
You can say I'm trippin' but I'm stingy  
(No, I ain't)  
And I can't hide it  
(No, I just wanna keep you)  
Wanna keep you all to me, I'm selfish  
(Oh, yes, I do)  
Why try to fight it  
(Baby, you're the only one)  
You're the only one with the only love  
That's strong enough to claim me  
(Oh, yes, you are)  
So please forgive me, I'm just stingy  
(Hey)  
But how can you blame me  
Do what you want  
Anything, anything, I'll  
(Oh, anything, I'm all yours)  
Go along  
(Yes, I am)  
'Cause can do no wrong  
(Can do no wrong)  
Everything, everything, I do it 'cause I'm so wide open  
No jokin', you got me right where you want me to be  
I just hope you feel the same 'cause I don't want  
Nothin' to change  
This is where I wanna be  
So if you wanna put me on, I don't mind, it's alright  
I'm for it, I would so adore it  
Nothin' turns me on better than bein' with you, baby
