

Barbra Streisand, Close To You, (They Long To Be)

Why do birds suddenly appear every time you are near?
Just like me they long to be close to you
Why do stars fall down from the sky every time you walk by just like me?
They long to be close to you
On the day that you were born the angels got together and
Decided to create a dream come true
So, they sprinkled moon dust in your hair
And golden starlight in your eyes of blue
That is why all the girls in town
Follow you all around just like me
They long to be close to you
That is why all the girls in town
Follow you all around just like me
They long to be close to you
Just like me close to you
They want to be close to you
Just like me close to you
Just like me close to you
