

# Barbra Streisand, Everybody says dont

Everybody says dont  
Everybody says dont  
Everybody says dont it isnt right  
Dont is isnt nice  
Everybody says dont  
Everybody says dont  
Everybody says dont walk on the grass  
Dont disturb the peace  
Dont skate on the ice  
Well I say do, I say,  
Walk on the grass it was meant to feel  
I say sail till to the windmill  
And if you fail you fail!  
Everybody says dont  
Everybody says dont  
Everybody says dont get out of line  
When they say that then lady thats a sign  
No times out of ten  
Lady you are doing just fine.  
Make just a ripple come on be brave  
This time a ripple next time a wave  
Sometimes you have to start small,  
Climbing the tiniest wall  
Maybe youre going to fall  
But it is better than not starting at all.  
Everybody says no stop  
Musnt rock the boat musnt touch a thing  
Everybody says dont  
Everybody says wait  
Everybody says cant fight city-hall  
Cant upset the court  
Cant laugh at the king!  
Well I say try,  
I say,  
Laugh at the king or hell make you cry  
Loose your poise  
Fall if you have to but lady make a noise...  
Yes!  
Everybody says dont  
Everybody says cant  
Everybody says wait around for miracles  
Thats the way the world is made  
I insist on miracles if you do them,  
Miracles might come true,  
Then I say dont...  
Dont be afraid!
