

Barbra Streisand, If You Were The Only Boy In The World

If I were the only girl in the world
And you were the only boy
Nothing else would matter in the world today
We could go on loving in the same old way
A garden of Eden just made for two
With nothing to harm our joy
I would say such wonderful things to you
There would be such wonderful things to do
If I were the only girl in the world and you were the only boy
If I were the only girl
Nothing else would matter in the world today
We could go on loving in the same sweet way
A garden of Eden just made for two
With nothing to change our joy
I would say such wonderful things to you
There would be such beautiful things to do
If I were the only girl in the world and you were the only boy
