

# Barbra Streisand, It Had To Be You

Seems like dreams  
Like I always had  
Could be, should be  
Makin' me glad  
Why am I blue?  
It's up to you to explain  
I'm thinkin' maybe  
Baby, I'll go away  
Someday, some way  
You'll come and say  
"It's you I need"  
And you'll be pleading in vain  
It had to be you  
Had to be you  
I wandered around  
Finally found somebody who  
Could make me be true  
Could make me be blue

And even be glad  
Just to be sad  
Thinking of you  
Some others I've seen  
Might never be mean  
Might never be cross  
I tried to be boss  
But they wouldn't do  
'Cause nobody else  
Gave me a thrill  
With all your faults  
I love you still  
Had to be you  
Crazy old you  
Had to be you
