

Barbra Streisand, It Had To Be You

Seems like dreams
Like I always had
Could be, should be
Makin' me glad
Why am I blue?
It's up to you to explain
I'm thinkin' maybe
Baby, I'll go away
Someday, some way
You'll come and say
"It's you I need"
And you'll be pleading in vain
It had to be you
Had to be you
I wandered around
Finally found somebody who
Could make me be true
Could make me be blue

And even be glad
Just to be sad
Thinking of you
Some others I've seen
Might never be mean
Might never be cross
I tried to be boss
But they wouldn't do
'Cause nobody else
Gave me a thrill
With all your faults
I love you still
Had to be you
Crazy old you
Had to be you
