

# Barbra Streisand, Jule Styne

Time after Time  
I tell myself that I'm  
So lucky to be..Jule Styne  
When things seemed so dark  
I walked up to Ray Stark  
And I said "Please meet a friend of mine  
Ray Stark, Barbra Streisand, Barbra Streisand, Ray Stark"  
Ms. Streisand sang and I played  
He said ,she looks just like my maid  
Just you do your job and I'll do mine  
Which just goes to show  
How much producers know  
He said "Bellbath" would be divine  
You all know the switch  
The maid, she made him rich  
For which he hates Jule Styne
