Barbra Streisand, Jule Styne "Time After Time" (F

Time after time I tell myself
That I'm so lucky to be Jule Styne
When things seemed so dark
I walked up to Ray Stark
And I said " Please meet a friend of mine
Ray Stark, Barbra Streisand, Barbra Streisand, Ray Stark "
Ms. Streisand sang and I played
He said, " She looks just like my maid"
Just you do your job and I'll do mine
Which just goes to show
How much producers know
He said, " Bell bath would be divine"
You all know the switch
The maid, she made him rich
For which he hates Jule Styne
