

Barbra Streisand, Lover, Come Back To Me

Sky was blue and high above
The moon was new, so was love
This eager heart of mine was singing
Lover, where can you be?
It came at last love had its day
The day is past, you've gone away
This eager heart of mine is singing
Lover, come to me
I remember every little thing you used to do
I'm lonely
Every road I walked alone, I walked along with you
No wonder I am lonely
The sky is blue, the night is cold
The moon is new, but love is old
And while I'm waiting here this heart of mine is singing
Lover, come to me
When I remember every little thing you used to do
Oh I'm lonely
Every road I walk alone I walked along with you
No wonder I am lonely
The sky is blue, the night is cold
The moon is new, but love is old
And while I'm standing here this heart of mine is singing
Lover, oh lover, lover get here to me now
