

# Barbra Streisand, Luck Be a Lady (From "Guys a

They call you lady luck  
But there is room for doubt  
At times you have a very un-lady like  
Way of running out  
Your on a date with me  
The pickings have been lush  
And yet before this evening is over  
You might give me the brush  
You might forget your manners  
You might refuse to stay  
And so the best  
That I can do is pray  
Luck be a lady tonight  
Luck be a lady tonight  
Luck if you've ever been  
A lady to begin with  
Luck be a lady tonight  
Luck how I'm longing to see  
How good a friend you can be  
Stick with me sister  
I'm the one that you came in with  
Luck be a lady with me  
A lady doesn't leave her escort  
It isn't fair, it isn't nice  
A lady doesn't wander all over the joint  
And blow on some other guy's dice  
So, let's keep the party polite  
Hmm, never get out of my sight  
Stick with me sister  
I'm the gal that I came in with  
Luck be a lady tonight  
A lady wouldn't flirt with strangers  
She'd have heart, she would have a soul  
A lady wouldn't make  
Little sneak eyes at you  
When I've bet my life on this roll  
So, let's keep the party polite  
Never get out of my sight  
Stick with me pal  
'Cause I'm the gal  
That you came in with  
Luck be a lady  
Oh, luck be a lady  
Luck be lady tonight
