

Barbra Streisand, No More Tears

No more tears (enough is enough)

Barbra:

It's raining,
It's pouring,
My love life is boring me to tears,
After all these years.

Donna:

No sunshine,
No moonlight,
No stardust,
No sign of romance.
We don't stand a chance.

Barbra:

I always dreamed
I'd find the perfect lover.
But he turned out to be
Like every other man I loved,
I loved.

Both:

Raining (raining)
Pouring (pouring)
There's nothing left for us here.
And we won't waste another tear...

Donna:

If you've had enough,
Don't put up
With his stuff,
Don't you do it.

Barbra:

Now, if you've had your fill,
Get the check,
Pay the bill,
You can do it.

Donna:

Tell him to just get out,

Barbra:

Nothing left to talk about.

Donna:

Pack his raincoat, show him out,

Both:

Just look him in the eye and simply shout:

Enough is enough

I can't go on,
I can't go on no more no.

Enough is enough

I want him out,
I want him out that door now.

Enough is enough (ooh, owwww)

Enough is enough
That's enough, (ooh yeah)

Donna:

If you've reached the end,
Don't pretend
That it's right,
When it's over.

Barbra:
(it's over)
If the feeling is gone,
Don't think twice
Just move on,
Get it over. (over, over)

Both:
Tell him to just get out,
Say it clearly,
Spell it out:

Enough is enough is enough
I can't go on,
I can't go on no more no.
Enough is enough is enough
I want him out,
I want him out that door now.

Enough is enough (ooh, owwww)
Enough is enough
That's enough (ooh)

Barbra:
I always dreamed I'd find
The perfect lover.
But he turned out to be
Like every other man I loved. (I had no choice from the start)
I loved, (I've gotta listen to my heart)
I loved. (tearing us apart)

Both:
Enough is enough is enough
I can't go on,
I can't go on no more no.
Enough is enough is enough

I want him out,
I want him out that door now.

Enough is enough (ooh, owwww)
Enough is enough
That's enough (ooh, yeah)
No more tears...

No more tears (no more tears)
No more tears (no more tears)
No more tears (no more tears)
No more tears (no more tears)

I've had it, (no more tears)
You've had it,
She's had it. (no more tears)
He's had it. (no more tears)
She's had it.

He's had it.
I've had it. (no more tears)
I've had it.

He's had it.
She's had it.

Donna:
I always dreamed
I'd find the perfect lover

Barbra:
But he turned out to be
Like every other man I loved

Both:
I had no choice from the start
Listen to me, I've gotta listen to my heart
Tearing us apart...

Enough is enough is enough
I can't go on,
I can't go on no more no.
Enough is enough is enough
I want him out,
I want him out that door now.

Goodbye mister,
Goodbye.
Goodbye mister.
Goodbye sugar.

It's raining,
It's pouring,
There's nothing left for us here.
And we won't waste another tear... (no more tears)

It's enough it's enough it's enough it's enough
It's enough it's enough it's enough it's enough
