

Barbra Streisand, On A Clear Day (you Can See

On a clear day, rise and look around you
And you'll see who just prove you are
On a clear day, how it will astound you
That a glow of your being, outshines every star
You'll feel part of
Ev'ry mountain, sea, and shore
You can hear from far and near
A world you've never heard before
And on a clear day, on that clear day
You can see forever, oh
And on that clear day on that clear clear day
You can see forever and ever and ever and evermore
