

# Barbra Streisand, (Our Love) Don't Throw It All Away

Maybe I don't wanna know the reason why  
But lately you don't talk to me  
And darlin' I can't see me in your eyes  
I hold you near but you're so far away  
And it's losing you, I can't believe  
To watch you leave and let this feeling die  
You alone are the living thing that keeps me alive  
And tomorrow if I'm here without your love, you know, I can't survive  
Only my love can raise you high above it all  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
We can take the darkness and make it full of light  
But let your love flow back to me  
How can you leave and let this feeling die  
This happy room would be a lonely place when you are gone  
And I won't even have your shoulders for the crying on  
No other woman's love, could be as true, I'm begging you  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
We changed the world, we made it ours to hold  
But dreams are made for those who really try  
This losing you is real but I still feel you here inside  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
Don't throw it all away, our love, our love  
Don't throw it all away, away  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
Don't throw it all away, our love, our love  
Don't throw it all away, away  
Don't throw it all away, our love, our love  
Don't throw it all away, our love  
Don't throw it all away, our love, our love  
Don't throw it all away
