

# Barbra Streisand, Second Hand Rose/Give Me T

I'm wearing second hand shoes  
Second hand hose  
All the girls hand me  
Their second hand clothes  
Even my pajamas when I darn 'em  
Have somebody else's  
Initials on 'em  
Second hand rings  
Hmm... Second hand things  
I never get what other girlies do  
Once while strolling  
Through the Ritz a girl got my goat...  
She nudged her friend  
And said, oh, look there goes  
My old fur coat

I don't believe in  
Frettin' and grievin'  
Why mess around with strife  
I never was caught out  
To step and strut out  
Give me the simple life  
Some find a pleasant dining on pheasants  
Those things roll off my comb  
Just serve me tomatoes  
And mashed potatoes  
Any place I hang my hat is home

Oh, I got plenty o' nothin'  
And nothin's plenty for me  
I got no car,  
I got no mule  
I got no misery  
Don't you see?  
I got no lock on my door  
That's okay with me  
'Cause the things that I prize,  
Like the stars in the skies, are all free  
I got plenty o' nothin'  
And nothin's plenty for me

Once I built a railroad  
Made it run,  
Made it race  
Against time  
Once I built a railroad  
Now it's done  
Brother can you spare a dime?  
Say don't you remember  
They called me Al  
It was Al all the time  
Say don't you remember  
I'm your pal  
Buddy can you spare a dime?

Nobody knows you  
When you're down and out  
In your pocket's  
Not one penny  
And your friends  
Well, you haven't any  
Soon as you get on your feet again  
Everybody  
Everybody

Is your long lost friend  
It's mighty strange  
Without a doubt  
But nobody knows you  
When you're down and out

Oh, every one knows  
That I'm just second hand Rose  
From Second Avenue  
Ya can't beat the egg-creams  
From Second Avenue  
There is more between me  
And Fifth Avenue  
Than three blocks  
I tell ya  
Second Avenue

The flowers in spring  
The robins that sing  
The sun beams that shine  
They're yours, they're mine  
And love can come to anyone  
Because the best things in life are free
